MOOD: 😊 cold

MUSIC: coffeemaker gurgles

But, y'know, the MI6 headquarters building in London? Doesn't it look like a Jack Kirby character?

I believe this is a significant advance in pot pie technology. Make your pie crust. Par-cook

[As easy as-- no, really.](#)

I was talking about the chicken pot pie I was making on Twitter, and it turns out, a lot of people

Looks kinda like the Justice League's Hall O' Justice(tm) from the cartoons. Maybe MI6 is actually lead by the Martian Manhunter.

I was thinking Transformer, but I see the point with the reference to Galactus!

Wouldn't be hard to make a copy of it in Lego, I expect.

If they were going for stately or intimidating, they failed. If they were going for somewhat over the top and silly, they succeeded.

This looks like an anime building that becomes a robot and defies aliens or something.
